The HP9800d prints postcard to poster sizes to meet a variety of document printing needs with this reliable, compact, color printer that handles paper up to 13 by 19 inches. Automatic duplexing allows you to print on both sides.

*"The eStand will do for sheet music what the typewriter, word processor and desktop publishing did for the ink pen and paper. I believe it will ultimately dominate how musicians learn, compose, and perform their works."*

*Itzhak Perlman*  
 World-Renowned Violinist

The Microtek ScanMaker 9800XL offers large format, tabloid-size scanning at 12" x 17" that is ideal for scanning large and small documents.
